LAXMI ENTERPRISE

Industrial safety supply solutions

Personal protection, welding equipment, tools and industrial supplies.

Based in Kolkata, Laxmi Enterprise brings together products for industrial safety, welding, maintenance and everyday workplace needs. Our aim is to make sourcing straightforward, with clear product information and attentive service.

We believe lasting business relationships are built on trust, honest communication and value. We work to offer our best possible pricing for your requirements, with a focus on competitive quotations and practical product choices.

Share your required models, quantities and specifications with us. We will help you explore suitable options and prepare a quotation tailored to your needs.

PRODUCT COLLECTION

Hand protection

Rubber, coated, knitted and leather gloves. Finger protection.

Flocklined gloves

HAND PROTECTION

Natural rubber flocklined gloves

Surf Industrial

NRF variants: 38, 45, 52

Rubber / latex; flocklined

Chemical-resistant; waterproof

Industrial flocklined gloves

Laxmisafe

Sizes: L, XL

Cotton-flocked lining; rolled cuff

Reusable rubber gloves

Latex flocklined gloves

Hand Care Gloves

Sizes: M, L

Reusable; flocklined interior

Non-slip grip

Industrial rubber gloves

Length: 14 inches

Flocklined interior

Chemical-resistant protection

Rubber & nitrile gloves

HAND PROTECTION

Orange rubber safety gloves

Thick industrial rubber

Chemical-resistant protection

Powder-free nitrile gloves

Ambidextrous; textured grip

Flexible fit

Solvent, oil and acid resistance

Full-dip gloves

Nitrile-coated protection

Oil-grip resistance

Fully coated nitrile gloves

Fully coated protection

Oil-grip resistance

Coated & knitted gloves

HAND PROTECTION

Nitrile palm-coated gloves

Grey

Nitrile palm coating

Grip and dexterity; oil and abrasion resistance.

Cotton knitted gloves

Sizes: small, large; dotted option

Breathable, flexible fit.

Latex-coated gloves

Yellow / orange

Latex coating

Cut-resistant gloves.

Black latex-coated gloves

Polyester liner

Natural latex coating.

Leather gloves

HAND PROTECTION

Canadian leather gloves

Split leather
Grip control

White leather gloves

Full-finger design
Abrasion-resistant protection

Multicolour leather gloves

Split-leather palm
Durable safety cuff
HSN: 4203

Rigger leather gloves

Split-leather palm
Cut and tear resistance

Welding, disposable & finger protection

HAND PROTECTION

Leather welding gloves

Length: 14 inches
Heat-resistant protection
Welding use

Blue surgical gloves

Latex powdered gloves

Latex; powdered

Rubber finger cots

Colours: white, orange
Waterproof hand protection

Asbestos hand gloves

HAND PROTECTION

Available lengths 14 inches / 18 inches

Safety and welding supplies for your workplace

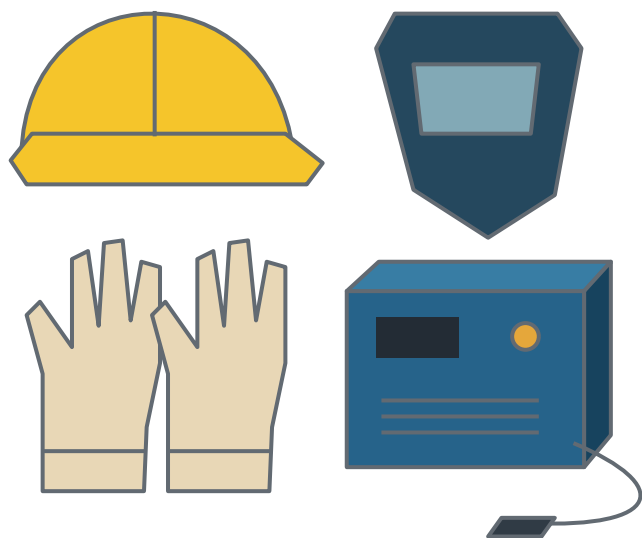

From personal protection to welding and maintenance essentials, Laxmi Enterprise brings together products that support everyday industrial work. Explore helmets, gloves, eye protection, safety footwear, protective clothing and a range of welding equipment and accessories.

Every workplace has different requirements. Share your application, preferred models, sizes and quantities so we can help you explore suitable options and provide clear product details for your purchasing decisions.

Our focus is on building long-term trust through attentive service, straightforward communication and competitive pricing. Whether you are sourcing individual items or putting together a wider supply requirement, we aim to make the process practical and convenient.

LET US HELP YOU SOURCE

Send us your product list, specifications and quantities. Contact Laxmi Enterprise for availability and a quotation tailored to your requirements.
